Prelytix Technologies

Employee Handbook and HR Policies
Version 3.2 | Effective 1 January 2026 | Internal use only

1. About this handbook

This handbook explains the people policies that apply to every full-time employee at Prelytix Technologies. It covers working hours, leave, benefits, remote work, expenses, conduct, and exit. The People team reviews it once a year. When a policy changes, the new version is published here and announced by email. If anything is unclear, write to hr@prelytix.com.

2. Working hours and attendance

The standard work week is five days, Monday to Friday. Core hours are 10:00 to 16:00, and the full day is nine hours including a one-hour break. Teams may shift their start time by up to two hours with manager approval.

Employees mark attendance in the HR portal each working day. Three late arrivals in a calendar month are treated as a coaching conversation, not a penalty. Repeated unplanned absence without notice is handled under the disciplinary process.

Public holidays

The company observes ten fixed public holidays each year. Employees may also choose two optional holidays from the published list. The holiday calendar is shared every December for the following year.

3. Leave policy

All leave is requested through the HR portal. Planned leave needs three working days of notice. Unplanned leave must be reported to the reporting manager by 10:00 on the first day of absence.

3.1 Annual leave

Every employee gets 24 days of paid annual leave per calendar year. Leave accrues at two days per completed month. New joiners accrue from their date of joining on a pro-rata basis.

Up to 10 unused annual leave days may be carried into the next year and must be used by 31 March. Up to 5 days may be encashed once per year during the December payroll cycle.

3.2 Sick leave

Employees get 12 days of paid sick leave per year. A medical certificate is required for any sick leave longer than three consecutive working days. Sick leave cannot be carried forward and is not encashed.

3.3 Casual leave

Employees get 6 days of casual leave per year for short personal needs such as a family event, a house move, or a minor emergency. Casual leave is approved by the reporting manager and cannot be carried forward.

3.4 Maternity, paternity, and adoption leave

Maternity leave is 26 weeks of paid leave for the birth of a child, available to the birthing parent. Paternity leave is 10 working days and must be taken within six months of the birth. Adoption leave is 12 weeks for the primary caregiver and 4 weeks for the secondary caregiver.

3.5 Bereavement leave

Employees may take up to 5 working days of paid bereavement leave for the death of an immediate family member. Immediate family includes spouse, child, parent, sibling, and grandparent.

3.6 Unpaid leave

Unpaid leave may be granted for up to 30 days per year with written approval from the department head and the People team. Unpaid leave does not count toward annual leave accrual.

4. Remote work

Employees may work from home for up to 8 days per month with manager approval. Remote days are requested in the HR portal at least one day in advance. Core hours still apply.

Work from another country is allowed for up to 15 days per calendar year, subject to tax and compliance review. Requests must be raised at least 15 days before travel.

The company provides a one-time home office allowance of INR 15,000 for new joiners, claimed within the first 90 days. A monitor, chair, or desk are approved categories.
